

2021 AMCD Mentoring Program

Call for Mentee Applications

The Association of Multicultural Counseling and Development (AMCD) is **now accepting applications** for the 2021 Mentoring Program.

In 1992 the AMCD Mentoring Program was developed by Dr. Quincy Moore to provide access and support to graduate students through mentorship. During the program's conception a three-pronged approach was used which included (a) student's exposure to a panel of professionals, (b) a college fair for recruitment purposes, and (c) an opportunity for students to network via a professional reception. Since then, the Mentoring program continues to evolve and grow with added elements such as the Research Symposium and opportunities for students and new professionals to assist with AMCD's Annual Service Day.

In this way, the AMCD's Mentoring Program is designed to have a positive influence on AMCD at the organizational level (i.e., leadership nationally and statewide) and the participant level (i.e., mentor and mentee). The goal of the AMCD Mentoring Program is to make sure that our mentees: are in an appropriate context for self-discovery, gaining a sense of direction and purpose, and developing the professional and leadership skills while being surrounded by AMCD mentors, leadership team, and members to assist with their professional process.

Each year, the AMCD Mentoring Program Committee selects 3-5 students/professionals to be AMCD mentees. The mentees will be matched with a mentor who will provide mentorship by playing an active role in the mentee's professional development during conferences and throughout their career journey. Also, the mentors will assist in the development and creation of the mentee's Research Poster for the AMCD Summit.

Selected mentees will attend AMCD events and serve as volunteers for the various AMCD sponsored events. Also, the selected mentees will receive full registration reimbursement for AMCD events. Overall, AMCD mentees will participate in the following events:

- Attend the AMCD Past President's Virtual Event
- Attend the AMCD Graduate Student Virtual Event
- Attend the AMCD Social Virtual Event
- Attendance of your choice at an AMCD concerns and regional meeting
- Volunteer at the AMCD Day of Service
- Attend and present research at the AMCD Summit

Two types of applications are being accepted for the mentoring program:

1. Graduate counseling students (e.g., masters or doctoral level)
2. New professional (applicants that have graduated with no more than 3 years of professional experience)

To be eligible for the Mentoring Program, applicants must:

- (a) Be an AMCD member (must be a member at the time you submit your application packet)
- (b) Be a graduate student or a new professional

(c) Submit an application packet - **Due by January 29nd, 2021**
